Dear Mr. and Mrs. Wright,

I have received and noted with great interest the contents of your last letter.

It would be my pleasure to keep you informed of the activities in Seychelles to mark World Autism Awareness Day on 2nd April 2009.

I have also been advised that a research project on autism in Seychelles will be launched this year and I will ensure that the findings of the said research are shared with you.

I wish to take this opportunity to wish you both all the very best for the year 2009.

Yours sincerely,

*Natalie Michel
First Lady
Chairperson of the Children's Homes Foundation*
